## Job Description: Graphic Designer, Intern, Temporary (Jacksonville, FL (Southpoint))

## Company Overview

Smartphones Technologies is a mobile application publisher specializing in creating innovative mobile apps for the most popular mobile phones, including: iPhone, Android, BlackBerry and Palm Pre.

Smartphones Technologies has developed and published mobile apps for motion picture studios, sports franchises, music companies, and brand owners. Smartphones also has licensing agreements with more than 200 colleges nationwide.

For more information, please visit [www.smartphonestech.com](http://www.smartphonestech.com).

## Job Description: Graphic Designer, Intern, Temporary

Strong background and experience in Photoshop and After Effects. Experience in web design, Flash, animations or video editing a plus.

This position will assist in the overall growth of our production department. Responsibilities include, but are not limited to, creating downloadable wallpapers, screensavers, animations and User Interface (UI) Themes for mobile devices, as well as animated banner ads promoting our content for our partners' web sites. The ideal candidate for this opportunity must have a positive attitude and excellent organizational skills. Candidates must be intelligent, personable and creative with great attention to detail.

## Candidate Must Have Knowledge of:

- Adobe Photoshop (CS2 – CS5)
- Adobe After Effects
- Flash and Cinema 4D a plus

Please have samples of your work in each program readily available upon request.

## Candidate Must Also Have:

- Ability to Multitask
- Ability to Learn New Programs Quickly
- Good Attitude and Flexibility to Change Projects on Short Notice

## Education Requirements:

Education equivalent of 2 years college-level coursework in design or related field or an equivalent combination of education and experience sufficient to successfully perform the essential duties of the job as listed above.

To be considered for this position, you must submit a resume AND cover letter with a link to your portfolio.

Thank you for your interest in Smartphones Technologies.
