Websites, Publications Coordinator (Oklahoma City, OK)

The Website, Publications Coordinator is responsible for the day-to-day mechanics of the websites – thunder.nba.com and thunderally.net. This position requires a demonstrated background in design as well as an ability to edit and write headlines in a fast-paced environment.

Essential Duties and Responsibilities:

- Perform daily functions for thunder.nba.com and thunderally.net – update home page, edit and post stories as needed; gather and post photos, video, audio, etc.
- Translate ideas into design concepts
- Work with various departments to ensure their needs are properly executed on the websites
- Attend and proactively participate in weekly staff and interdepartmental meetings
- Stay current in web world and its emerging technologies and trends
- Maintain good attendance and punctuality
- Other duties as assigned

Qualifications and Requirements:

- Bachelor's degree preferred
- Demonstrate proficiency with DreamWeaver, Photoshop, HTML and other web technologies
- Proven background in editorial design and production
- Experience with Content Management Systems
- Knowledge of and passion for NBA basketball
- Proven ability to communicate content across multiple platforms; print, web, audio, video
- Outstanding verbal and written communicative skills
- Outgoing personality; ability to communicate in group setting
- Ability to work nights/weekends/flexible schedule

This is a full-time, non-exempt position reporting to the Director, Interactive Media and Publications.

Qualified candidates should send a resume and cover letter detailing interest to:

Motion Graphics Artist (Edmond)

Motion Graphics Artist

We're a rapidly growing digital signage content provider looking for a sharp, creative motion graphics artist to bring cutting-edge, "it" design to our organization and our clients.

You will create a wide variety of motion graphics content by consulting with a creative director and/or collaborating with co-workers to identify and meet client needs, formulate concepts, and assemble and encode the final product, combining raw footage, client-supplied assets, stock image and video and/or custom graphics and animation. Our work usually has a higher than normal turnaround so fast, efficient work is a must.

Duties:

- Develop Motion Graphic content either from an initial text-only concept or starting with client collateral, specifications, and related materials.
- Adhere to production schedule, completing assignments with available resources and time including revisions from client and supervisor.
- Keep team informed by discussing projects at various stages of completion; making changes; re-defining concepts and techniques.
- Enhance organization reputation by accepting ownership for accomplishing new and different requests; explore opportunities to add value to job accomplishments.

Skills/Qualifications:

- Experience with Adobe After Effects CS4, Flash CS4 or similar software.
- Exceptional creative talent
- Past employment in a relevant environment a big plus.
- Understanding of media encoding and related technology – AVI, MPEG, FLV, etc.
- Ability to work under tight deadlines and turn around a high number of small projects quickly.
- Strong organizational and time management skills.
- Strong written and verbal communication skills
- Ability to clearly articulate and present to supervisor and co-workers.
- Ability to collaborate closely with others in a team environment under tight deadlines.
- Pro-active, dedicated and flexible in time-management and approach.
- Great sense of humor and the ability to have fun while working under pressure.

Please submit resume, cover letter and/or link to demo reel or samples to edmondvideojob@gmail.com

Graphic designer &/or web developer (Wichita)

ABOUT US

At Shout Marketing, we have proven ourselves as a unique and results-driven marketing firm. We offer an array of services from pay per click advertising to print design. When it comes to ad agencies we are indeed your one stop shop, offering services that include: logo, print and package design, viral marketing campaigns, SEO services, as well as web design and development.

We are currently seeking an exceptional graphic designer with experience designing across all platforms (from print to interactive). If you are an enthusiastic, ambitious designer who enjoys creating projects from start to finish for a wide variety of clientele, we are ready for you!

RESPONSIBILITIES

- Responsible for production of all marketing materials, including but not limited to: corporate identity, sell sheets, brochures, announcements, advertisements, posters, postcards, stationery sets, promotional materials, website and package design
- Work closely with AEs to create concepts and design work for various clientele
- Managing all print orders
- Communicating with printers

GENERAL REQUIREMENTS

- Strong conceptual, technical and problem solving skills
- Ability to take projects from concept to completion
- Excellent verbal and written communication skills
- Thorough, accurate, organized and efficient work habits
- Ability to effectively prioritize and work well in a fast-paced environment
- Capable of working well with people, independently and comfortable taking initiative
- Knowledge of basic HTML/CSS
- Strong proficiency in the following programs:
 - o CS4 Adobe Creative Suite (Illustrator, InDesign, Photoshop, Acrobat)
 - o Experience with Flash, After Effects and Dreamweaver is a plus
 - o Microsoft Office (Outlook, PowerPoint, Word)
- Experience in copywriting and photography is a plus

WORK & EDUCATION REQUIREMENTS

- Professional design experience preferred
- Bachelor's degree in graphic design (or a related field)
- Prior experience in web design

Please submit your resume and a short cover letter, as well as your portfolio website or any samples you would like us to consider to info@shoutmktg.com
