Panasonic TC-P54Z1

Panasonic's flagship TC-P54Z1 plasma sails far beyond most buyers' price range, but the yacht enthusiasts who can afford it will enjoy superb picture quality and style in a wireless package.

http://reviews.cnet.com/Panasonic_TC_P54Z1/4660-6482_7-7073486.html?tag=feed&part=rss&subj=video

2009 Porsche Cayenne GTS

The most pretentious SUV gets enough tech upgrades to stay credible.

Sony Bloggie MHS-CM5

The Bloggie CM5 isn't as compact as competing models from Flip Video and Kodak, but it delivers an above-average feature set and video for the money.

http://reviews.cnet.com/Sony_Bloggie_MHS_CM5_purple/4660-6500_7-7072662.html?tag=feed&part=rss&subj=video

Nokia 2720 Fold

While still firmly in the camp of simple cell phones, the affordable Nokia 2720 Fold has some useful extra features.

http://reviews.cnet.com/Nokia_2720_Fold_black_unlocked/4660-6454_7-7072665.html?tag=feed&part=rss&subj=video

Sony BDP-N460

The Sony BDP-N460's attractive mix of Blu-ray performance, relatively low price, and streaming media options--including Netflix--make it a solid midrange pick, despite some missing features.

http://reviews.cnet.com/Sony_BDP_N460/4660-9991_7-7072400.html?tag=feed&part=rss&subj=video

Samsung SyncMaster F2380

The Samsung SyncMaster F2380 is a well-designed monitor with good performance that skimps on connection options.

http://reviews.cnet.com/Samsung_SyncMaster_F2380/4660-3174_7-7072403.html?tag=feed&part=rss&subj=video

HP Pavilion All-in-One MS225

Don't expect the world from HP's low-cost Pavilion All-in-One MS2255, but as a basic day-to-day PC for light-duty productivity or Web and media accessibility in the kitchen, it's a very good deal. You'd be wise to look here before considering an Atom-based Nettop.

Gateway SX2840-01

Gateway's SX2840-01 remains the budget PC to beat. Its combination of small size, fast performance, and living room competence make it one of the most flexible desktops on the market. That it has room to upgrade makes the deal that much sweeter. We recommend this desktop to anyone looking for a powerful, versatile low-cost computer.

Nikon Coolpix P100

The Nikon Coolpix P100 is a feature-packed 26x megazoom and nearly a complete overhaul of its predecessor, the P90.

http://reviews.cnet.com/Nikon_Coolpix_P100/4660-6501_7-7071302.html?tag=feed&part=rss&subj=video

JVC TH-BA1

JVC's TH-BA1 sound bar home theater system is affordable, easy to use and sounds better-than-expected, but doesn't offer HDMI connectivity.

http://reviews.cnet.com/JVC_TH_BA1/4660-7868_7-7071305.html?tag=feed&part=rss&subj=video

Trendnet TEW-639GR Wireless N Gigabit Router

The Trendnet TEW-639GR Wireless N Gigabit Router is a decent investment for Wireless-N home networking, offering a decent package at an affordable price.

http://reviews.cnet.com/Trendnet_TEW_639GR_Wireless_N_Gigabit_Router/4660-3319_7-7071094.html?tag=feed&part=rss&subj=video

Acer Aspire EasyStore H340-UA230N NAS server

The Acer Aspire EasyStore H340 is an affordable and flexible NAS solution for both homes and small businesses that don't require advanced features from their networks.

http://reviews.cnet.com/Acer_Aspire_EasyStore_H340-UA230N_NAS_server/4660-3243_7-7071105.html?tag=feed&part=rss&subj=video

Epson WorkForce 310

The Epson WorkForce 310 is a cost-efficient all-in-one printer that gives you five separate ink cartridges with an automatic document feeder and a detailed control panel. Combine those features with its lightning-fast print speeds, and the WorkForce 310 is a worthwhile addition to your office arsenal.

http://reviews.cnet.com/Epson_WorkForce_310/4660-3181_7-7070742.html?tag=feed&part=rss&subj=video

Dell Inspiron Mini 10 (Intel Atom N450)

Dell's basic Netbook adds better battery life and the newest Intel Atom CPU.

http://reviews.cnet.com/Dell_Inspiron_Mini_10_Intel_Atom_N450/4660-3121_7-7070750.html?tag=feed&part=rss&subj=video

Cowon iAudio E2

In the world of super tiny MP3 players, the Cowon E2 delivers great sound, in spite of a confusing design.

http://reviews.cnet.com/Cowon_iAudio_E2_4GB_black/4660-6490_7-7070494.html?tag=feed&part=rss&subj=video

2010 Subaru Legacy 2.5i

Subaru amazes us with tech, er, the lack thereof.

http://reviews.cnet.com/2010_Subaru_Legacy_2_5i/4660-10863_7-7070500.html?tag=feed&part=rss&subj=video

Nikon Coolpix S640

The Nikon Coolpix S640 is a respectable midrange ultracompact with some improved shooting performance over other Coolpix models.

http://reviews.cnet.com/Nikon_Coolpix_S640_black/4660-6501_7-7070503.html?tag=feed&part=rss&subj=video

Urbanears Plattan headphones

The Urbanears Plattan headphones are all about style, which unfortunately doesn't leave much room for great sound in this case. Beware of mushy bass, nasally mids, and an absence of clarity.

http://reviews.cnet.com/Urbanears_Plattan_headphones_black/4660-7877_7-7070182.html?tag=feed&part=rss&subj=video

Samsung Stunt SCH-r100 (MetroPCS)

Though light on features, the Samsung Stunt SCH-r100 is easy to operate. The addition of Bluetooth, speakerphone, and voice commands make it a serviceable entry-level phone, though call quality could be clearer.

http://reviews.cnet.com/Samsung_Stunt_SCH_r100_MetroPCS/4660-10619_7-7070188.html?tag=feed&part=rss&subj=video

Nokia E72 - black (Unlocked)

Though the price might be off-putting to many, the Nokia E72 is a well-designed and full-featured messaging smartphone for business users.

http://reviews.cnet.com/Nokia_E72_black_Unlocked/4660-6452_7-7070203.html?tag=feed&part=rss&subj=video

Apple iPad

Brian Tong gets his hands on the Apple iPad and finds a feature Apple didn't show at the keynote.
