Universo-Canaima 0.3 (KDE Wallpaper 1680x1050)

[Universo-Canaima](#) 0.3

(KDE Wallpaper 1680x1050)

Fondo de pantalla no oficial - Conceptual de Canaima GNU/Linux - Desarrollado por Xavier Araque | Rendergraf, desarrollador oficial de la identidad gráfica de Canaima GNU/Linux

Representa la noche en el Parque Nacional Canaima, un Universo de paquetes de la Metadistribución.

Existe una versión en formato PNG que pueden descargar desde este link:

<http://dl.dropbox.com/u/1035257/Canaima/universo-canaima.png>

changelog:

Se redujo el tamaño de las estrellas así como resaltado de ellas, el logo Canaima se agregó en una capa superior para evitar pixelaciones
