Cracking the Millionaire Code by Mark Victor Hansen

[Cracking the Millionaire Code](#) What Rich People Know That You Don't **Written by [Mark Victor Hansen](#) and [Robert G. Allen](#)**

Read by [Mark Victor Hansen](#) and [Robert G. Allen](#) **Unabridged Audiobook Download** | Random House Audio | Business & Economics - Management | **\$17.50** | 978-1-4159-2560-7 (1-4159-2560-7)

Why do some people struggle financially while others seem destined for more prosperous lives? What if you could enjoy a more abundant lifestyle without sacrificing anything you now hold dear-your values, your health, your spirituality, your freedom, your friends and family? Take it from two authors who know firsthand: You can.

Mark Victor Hansen is coauthor of the phenomenally successful Chicken Soup for the Soul series, and Robert G. Allen is the author of the blockbuster paradigm-shifting bestseller Nothing Down. But it wasn't always that way. Neither author is a stranger to failure. Both have lost everything-more than once! But, independent of each other and over time, these two men came up with principles for helping both themselves and others. They began conducting their business lives along enlightened lines, and since then their joy and their wealth have grown exponentially.

Now, with this book, Hansen and Allen have teamed up to provide you with their time-tested tenets for unlocking the secrets of creating Enlightened Wealth. The keys lie in the book's four wealth codes:

.The Destiny Code

.The Prism Code

.The Angel Code

.The Star Code

Along the way you'll read stories of people just like you who have discovered the extraordinary lives they were meant to live and stepped into them. You'll learn how to turn your unknown assets into millions, create your own Enlightened Wealth Statement, unleash the power of "hundredfolding," follow the 101-Day Plan to your first million, and use Residual Philanthropy to pave your way to even greater wealth.

And the beauty of it all is that the first tumbler to click into place is found inside of you-it's based on doing what comes naturally. Once you determine what you love to do (and the pages ahead have dozens of tips for doing so), you enlighten your journey with the fire of your true passion.

Yes, this is going to take determination and hard work, but once you've cracked the Millionaire Code, all your effort will seem "right" in a way that it never did before.
