Daddy and the schoolgirl

Vanessa is barely 18 years old. She's cute with an innocent face, perky little titties and just a hint of babyfat. Vanessa is about to go to college and she's always had a bit of a crush on the older man next door, and she's decided this is her chance to tell him. She invites him over to tutor her for her finals, then puts a hand on his thigh and tells him she likes him. Soon he's kissing her and sucking on her nipples and she loves the way this experienced man is making her feel. Vanessa sucks his cock, showing she's done it before. Then it's his turn as he licks her sweet 18 year old pussy till she's nice and wet. And then he shoves his older cock into her tight slit and shows this horny little teenie that mature men really know how to fuck! He bangs her from behind and in front, and finally makes his teen neighbor cum hard as he pounds her doggy style before he finally shoots his load.

Revenge Sex Never Gets Old - Claudia Valentine

My dear friend [Claudia Valentine](#) asked for my help. You see she just found out her husband cheated on her. Not just once, but a few times. Claudia is such a sweet chick, wonderful wife and a killer fuck so I don't know how her dumbass husband could hurt her like that. She asked if I could get my buddy to fuck her on film while her hubby watched on. It was the only way she could see to get even and in the sweetest way possible. I quickly agreed to help my friend out ONLY if she promised her husband wouldn't be a problem on set. She swore up and down he was cool with it. They show up, I introduce the couple to our resident stunt cock, he strips her down, shoves his dick in her mouth and we were off and running.
